The Pennington County Sheriff's Office has two deputies that are Safety Instructor certified. The intent is be able to assist our local conservation officers with ATV safety training classes. This year with being short staffed with deputies, and then COVID, we weren't able to provide the services we would like to. Hopefully that will change and we can provide those services.

b. Include a narrative on your agency participation in DNR Off-Highway Vehicle Enforcement activities during the past fiscal year. This includes participation in training classes, and collaboration with local Conservation Officers.

With getting the necessary equipment (ATV, trailer, etc), it is the Pennington County Sheriff's Office intent to be able to help with any calls for accidents or other things that happen in remote areas. More safety enforcement is also something the sheriff's office would like to have.
